HELLO LOVELY PARENTS

Thank you to all everyone who came along to our Halloween disco this week. It was a huge success and the children had a great time.

We want to wish all the parents, guardians, children and staff a wonderful mid term and happy trick or treating next week!

The Halloween Disco was a huge success!!!!

What a fun night!

A big thank you to all the volunteers for their contributions to the event. As always, Marta Isopo did an incredible job organising it along with Fiona Armstrong. Thank you both for an incredible job.

We hope the children had fun. We have photos to share and will get them out in the November newsletter for all to enjoy.

We also have a Volunteers WhatsApp group. This is where we reach out for help to organise events (such as the Halloween Disco). Please get added. No pressure to help, but if you can, great. It could simply 30 mins of your time for an event or to offer your expertise on a topic.
