HELLO LOVELY PARENTS

We are excited to welcome back our movie night in December and will send more details very soon.

Also we, the PTA, are hoping to engage you to help us establish new events celebrating the multicultural nature of our wonderful school community. More details below and do please reach out to us.

Thanks to all the parents and guardians, as always.

Two follow up items from the Halloween Disco

- We wanted to share some photos from the Halloween Disco, they can be found [here](#)
- Also, we encourage all families to save their costumes for a costume swap next year!! Will follow up in October 2025 to set this up.

Our Movie Night Is Back!

Our movie night will go ahead on Wednesday 18th December. This was a huge success last year so the PTA is excited to bring it back again.

We will follow up with more details on how to reserve your ticket and what movies and times we will show.

As always, the school has a no mobile phone policy and this extends to PTA events also.

The PTA is looking for help.

Our school community is equality based and multicultural. We uphold, respect and accept equality of beliefs, whether religious or non-religious, and we celebrate diverse lifestyles held by children, parents, staff and members of the wider community.

The PTA would like to run some events showcasing different religious and belief systems. We are looking for any parents who would like to help us do this.

Please get in touch on pta@letns.org.

What talents do you have????

Our school values inclusivity. One way this is fostered is by inviting parents into the classroom to discuss a topic, share a skill and help develop our children.

If you have a special interest or expertise that you would love to share with the children, the school would love you to come into the classroom of your child and share this.

Get in touch with your teacher or with the school on info@letns.org.
